EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

CLAIMS

Non-elected claims 1-12, and 14 -29 have been cancelled.

It is noted that Applicants have requested rejoinder in view of MPEP 821.04. However, as set forth in MPEP 821.04 withdrawn process claims which depend from or otherwise include all the limitations of the allowable product claim will be rejoined. In the instant application, the withdrawn method claims do not depend on the allowed product claim, nor do they include all the limitations of the allowed product, accordingly rejoinder is not appropriate.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Navarro whose telephone number is (571) 272-0861.
